The screenshot shows a software interface with a light blue header bar. Below the header, there is a dark blue bar with two circular icons: a blue one with a white house icon and an orange one with a white power icon. Below this is a white form area. On the left, there is a dropdown menu with the text 'ks Demand' and a downward arrow. To the right of the dropdown are two buttons: a yellow button with a checkmark and the text 'UPDATE', and a red button with an 'X' and the text 'CANCEL'. Below the buttons, there is a text input field with the label 'Short Name *' in green text.
